September 8, 2009

Mr. Erickson,

Annually, Salem High School hosts "Other Ways to Win," a career fair intended to provide our students with career information who may not have plans to attend traditional four year colleges directly from high school. This program is intended to focus on our junior and senior students who may not have plans to attend a four year college and to give them information about opportunities that will lead to meaningful careers. This year's career fair is February 4, 2010 from 7:30-11:45 in the Salem High School library.

We will set up in the library from 7:00-7:30 am. Breakfast items, coffee, and refreshments will be provided by our school for you to enjoy at that time. We will offer our students the opportunity to attend the fair either through their English, Social Studies, or Career and Technical Education classes.

Thank you for giving your time and assistance to our students in our career fair over the years who I know have greatly benefited from the experience of your visit. If you are interested in attending this year's event, please inform me via phone or email at your earliest convenience. I will give you a follow up phone call in October. Thanks for your time, and I look forward to talking with you soon!

Sincerely,

Robert L. Marlin Jr, School Counselor  
Salem High School
