Welcome

## Welcome!

Welcome to the GDIT Navy/Air Force Systems Division's Chesapeake Ship Services site at 1545 Crossways Boulevard. We are glad you are with us and we want to do everything in our power to make your visit as comfortable as it is productive.

With over 600 employees, this facility supports the U.S. Navy, U.S. Coast Guard, Military Sealift Command, other DoD organizations and international clients. This facility is a full production facility designed to handle:

- Program Management
- Systems Engineering
- Direct Fleet Support
- Integrated Logistics Support (ILS)
- Administrative Support
- Ship Modernization and Repair
- Fabrication/Manufacturing/Production
- Quality Assurance and Depot Repair
- Foreign Military Sales (FMS)

This site includes 141,400 ft<sup>2</sup> of industrial/office space to include conference rooms, guest offices and guest cubicles, as well as wireless access which enables you to reach back to your home office as needed. There's plenty of easy-access parking, too.

The Center is located 5 minutes from a major shopping mall and about the same distance away from an impressive selection of restaurants and coffee shops—truly something to please everyone.

Enclosed is some useful information pertaining to finding our facility, airport/airlines, rental cars, area hotels and restaurants. If you need further assistance, please call any member of the Management or Facility staff.

Security

Please remember to sign in/out daily at the reception area in the front lobby of the main entrance. Once you're signed in, our receptionist will give you a badge and arrange for one of our staff members to escort you throughout the building.

Building/security specifics:

- Badges must be displayed visibly above the waist line at all times while in the facility.
- A copy of our emergency preparedness plan is available upon request at the receptionist desk or from the facility Environmental Health & Safety representative.
- Smoking is prohibited in the facility; however, we have a designated smoking area in the rear of the building.
- Obey all safety signs, posters, and markings.
- In the event of a serious illness or injury immediately dial 911.
- Should the fire alarm activate during your visit, exit the building immediately and proceed to the rally point, which is in the front parking lot straight out the front door of Suite A or parking lot at the back of the building – whichever is closest. Diagrams of evacuation routes are posted throughout the building.
- During an emergency please remain with your escort and follow any instructions issued by Security or emergency services. Unescorted visitors must follow exit signs and will be directed by EHS monitors.
