

DC3

Department of Defense
Cyber Crime Center

A FEDERAL CYBER CENTER

May 2018 Newport News, VA. REGIONAL PARTNER EXCHANGE

The DC3/DoD-Defense Industrial Base (DIB) Collaborative Information Sharing Environment (DCISE) is pleased to announce the Southern Virginia Regional Partner Exchange

THURSDAY, May 10 2018

9:00 am – 5:00 pm

Hosted By: 

2401 West Ave., Newport News, VA 23607

** US Citizenship required for attendance**

Secret Clearance required for some sessions

Join your fellow DIB Partners and DC3/DCISE Cyber Threat Analysts for tailored discussions covering the current threat landscape. Potential Topics include:

- Advanced Persistent Threat (APT) Trends
- Current Hacker TTPs
- Maritime Supply Chain
- Cybersecurity Reporting Requirements

Participants Wanted

- ✓ Do you know local DIB POCs that are interested in attending?
- ✓ What other topics would you like to discuss with DC3/DCISE and DIB Partners?

Send topics and RSVPs to DCISE@dc3.mil

The agenda is based on your participation and collaboration. We are looking for attendees to share the following:

- Industry Insights
- Best Practices
- Supply chain issues/cyber Resiliency
- Forensic/Malware deep dives
- Threat briefs
- Case Studies
- Tools on handling intrusion-related activity and mitigation techniques
